EXPERIENCE

Director, Senior Designer • 2019 – Present

Morgan Stanley (formerly Eaton Vance), Boston, MA

Conceptualize and design solutions from kickoff to completion, distilling complex and abstract concepts into relevant and clear designs across print and digital platforms (email and social). Partner with stakeholders to understand and parse details of vision and strategy. Build relationships across teams that assist in elevating visual storytelling initiatives. Collaborate with cross-functional partners, executives, and designers to align design strategy. Mentor design team members.

Key Achievements

- Instrumental in developing new retail design aesthetic which is used as the current standard across all digital and print designs.
- Rebranded all internal communication design including email templates, social media, and human resource materials.
- Selected to be one (on a team of 60 out of ~4,000 colleagues) serving as a Diversity Champion Committee Co-lead to move the firm's Diversity, Equity, and Inclusion initiative forward.
- Co-chaired combined Dress for Success Campaign Clothing Drive between Eaton Vance and Parametric.

Design Manager • 2008 – 2019

HarbourVest Partners, Boston, MA

Built, maintained, and strengthened global brand through strategy and execution of online and offline marketing efforts. Developed and managed digital marketing strategies for website, internal intranet, email, and social media channels. Partnered with cross-functional teams to design compelling content and ensure strategic alignment between brand and all corporate communications. Directed and coordinated external vendors to ensure consistent visual identity.
